

Minutes of the M.D. Council of Michichi

The council of the Municipal District of Michichi, No. 277, met at council chambers at Michichi, Alberta, on the 2nd day of July, at the hour of six o'clock p.m.

Present—Reeve Edwards, Deputy-Reeve O. B. Murdoch, coun. W. J. Blair, coun. C. K. Jones, and coun. H. J. Jones.

The minutes of the meeting of June last were read by the secretary-treasurer and their adoption was moved by coun. Jones. Carried.

Ward Inspector, W. E. Curtis, making his report and it was moved by Dep-Reeve Murdoch that the report be approved and his account and mileage amounting to \$84.00 be paid. Carried.

Moved by coun. Blair that a three wire fence, one-half mile long, be erected on the surveyed road bounded by S.W. 20-29-17, west 4th. Carried.

It was moved by Deputy-Reeve Murdoch that this council refuse to accept liability for the account of J. Lenzhardt in relation to Ash. Carried.

Moved by coun. Jones that R. A. Boyle be appointed Inspector of Males' Allowance Act. Carried.

The resignation of Mrs. Christine Nelson for Old Age Pension was presented to the council, and it was moved by Reeve Edwards that the same be approved and that pension in whole be recommended. Carried.

The application of Mrs. Annie Leland for Males' Allowance was presented to the council, and it was moved by coun. Blair that it be approved, and that allowance in the amount of \$20.00 per month be recommended. Carried.

It was moved by coun. Blair that the secretary-treasurer be instructed to write to the Department of Municipal Affairs at Edmonton advising as to the crop conditions in the municipal district, and that there be very little feed available for the coming winter. Carried.

The school district of White Rose, Mound Central, and Galtley made application for a contract to have garbage collected in order to be able to pay their teachers' salaries before the beginning of the holiday season, whereupon it was moved by coun. Blair that advance as heretofore set out be made: White Rose, \$200.00; Galtley, \$200.00; Mound Central, \$100.00. Carried.

Moved by coun. Jones that all relief accounts be approved in the amounts appearing on the list, the names of which are attached to the council minutes. Carried.

Moved by coun. Jones that accounts listed on schedule A attached hereto be approved as ordered paid. Carried.

The adjournment of the meeting was moved by Dep-Reeve Murdoch.

RIGHT IN FRONT AGAIN!

Are you thinking of buying a Radio? Then wait until you have seen EATON'S great sale.

FALL & WINTER CATALOGUE now in preparation and soon to be in the mail.

VIKING

will once again be the brightest star in the Radio sky!

Every season for two years past now, we have offered a Viking Radio which has been the biggest value offered in the Western District.

Now again we have specially prepared our stock and will offer a VIKING, which in appearance, performance and value, not only satisfies any previous offers of ours. It is a value which you must investigate before you make your final decision.

WAIT! EATON'S

BANKS ASKED TO AID DIVIDEND PLAN

Circular From Government Seeks Co-Operation To Introduce Social Credit

A circular letter from Hon. Solon E. Low, provincial treasurer, has been received by Calgary bankers, asking them to co-operate with the government's promise to pay a monthly dividend of \$25 to Alberta citizens.

The letter assures the bankers that "the government will assume full responsibility for ensuring that neither your bank nor its depositors shall suffer any direct monetary loss as the result of the government adopting the measures which will be necessary to make finance flourish with this province secure in figures that which takes place in fact."

It is expressed in Edmonton that, despite the facilities of the department of finance, the late, it was dictated by G. F. Powell, of London, one of the two social credit experts brought here by the Alberta Social Credit Board.

Minister of Major C. H. Douglas to make a survey of the social credit situation in Alberta. The social credit expert, however, was not typical of that employed by Mr. Powell since he came to Edmonton.

Paragraphs from the circular give the government's opinion on the charged banks, also promise remuneration for service rendered, and are as follows: "As a bank operating within this province, its government holds that part of the responsibility for arranging reform must devolve upon you, and it is especially so there can be no doubt you are well equipped for the purpose."

"For the government of you and your institution, adequate remuneration will be paid. The government will assume full responsibility for co-operating with neither your bank nor its depositors shall suffer any direct monetary loss as the result of the government adopting the measures which will be necessary to make finance flourish with this province secure in figures that which takes place in fact."

Enterprise Social Club

The June meeting of the Enterprise Social Club was held at the home of Mrs. J. McNeil. There was a full turnout of members and four visitors. In the absence of Mrs. Hamlin (president) the chair was taken by Mrs. W. H. Morrison. The meeting was opened with a prayer, and a roll call was followed with Irish jigs. Minutes of the previous meeting were read and approved. It was decided to hold our next annual picnic to take place at the home of Mrs. J. McNeil, on the 12th of July. There was little business left to discuss, and meeting closed with a "Mikapo" benediction. A very delicious lunch was served by the hostess.

The July meeting of the Enterprise Social Club was held at the home of Mrs. J. McNeil, on the 12th of July. In the absence of the president, Mrs. J. Alberta Legislature To Convene Aug. 3

Special Session to Implement Plans of Social Credit Expects

Premier Abernethy has announced that a special session of the Alberta legislature will open August 3.

A session of Social Credit members will be held on Monday, August 2nd, preceding the opening of the house.

The session is being called for the purpose of handling the recommendations of the Social Credit board and to pass necessary legislation, in order to carry out the recommendations," said the premier.

Hon. Wm. Abernethy said the session would be short and it might end the week in which it opened.

There would be one main social credit act, while there might be a number of amending bills, he said.

It will be the third time the members will have been called to Edmonton for a session this year.

The regular session opened last February 20th, while the adjourned summer session opened June 7th.

Alberta Crop Report (Issued by Alberta Department of Agriculture, July 28, 1937).

Crop prospects from Abbotsford south of the U.S. boundary are much improved following heavy rains of last week which centered in the north central zone.

Edmonton reporting highest rainfall, recorded with 6.01 inches which fell during a continuous storm on the 14th and 15th, and creating an all time record for the district.

Abbotsford reported 5.00 inches and 5.75 inches respectively. Rainfall to the south and east of this area gradually diminished, average readings for the extreme south of the district being 2.00 inches.

The situation in the south and west districts of the south-west and north to Vancouver being in the neighborhood of one inch. Storms were less than through this area, hence considerable loss in the north.

Unfortunately these storms did not extend north to the Peace River district, where conditions continue dry and rain is badly needed to secure some rain.

Previous to the recent rain, the crop outlook as a whole was the most encouraging for many seasons.

Most of the south-west, total crop failure was almost a certainty, while in the better farming districts of the north and north west a crop of less was expected even with the advent of some moisture.

A serious shortage of hay and rough feed was anticipated, especially in view of considerable surplus being required for relief purposes.

A rather tense situation is now prevailing. Fair grain crops are almost at hand, but the situation is now prevailing. Fair grain crops are almost at hand, but the situation is now prevailing.

Government Increases Speed Limit of Trucks

Maximum speed of trucks on public highways increased from 28 to 35 miles per hour, according to a new order in council just published in the Alberta Gazette.

Hon. W. A. Fallow, minister of public works, explained today that 28 miles was the recognized speed for trucks. It had been found that when the 28 mile limit was exceeded some operators felt that, having violated the Act, they might as well run at 40 miles per hour.

The plan shows in addition the new limit remains what varies with, but some are now operating under the new order of the Act, of interest to Canadian farmers.

It would show the time of all who are interested in the advancement of agriculture to attend one of these field days, the object of it was to improve wheat quality, and to help the farmer to get the best results from his land at better prices, hence daily to increase the income of the western farmer.

These "field days" are demonstrations of the new plan, as demonstrated by growing at over 100 points in Western Canada, and field days are held every year.
